

Mount Prospect School
General PTO Meeting Minutes
January 21, 2016

Google Apps for Parents – hosted at Liberty Corner School

Presented by:

- Dr. B. Heineman
- Matthew Hall
- Christopher Barone

Google vs. GAFE (Google Apps for Education)

- Google has limited space, GAFE has unlimited space
- Google has end user agreement (can sell information), GAFE has Educator agreement (FERPA AND HIPPA compliant) and data is private

How to Login:

- Each school has universal login
- Once in 3rd Grade, students get individual accounts

Collaboration/Sharing:

- Everything is private until you choose to share it
- Students cannot share with public – students are limited
 - Nothing can be shared “public on the web”
 - Nothing can be shared with “anyone with link”
- Comments/Editing/View provides instant feedback from teaches/peers

Power Point Presentation available online:
