

YOU ARE CORDIALLY INVITED

MOUNT PROSPECT SCHOOL'S 8th ANNUAL INTERNATIONAL DAY

**Friday, December 7, 2018
5:30pm to 8:00pm
MPS Cafeteria and Gym**

During the school day students will “travel” to different countries to celebrate the wealth of diverse cultures in our community. Parent volunteers will introduce the students to the countries they are representing through music, dance, arts, and crafts.

In the evening, you are all invited to visit country food tables in the cafeteria to enjoy ethnic food samples, and enjoy the encore performance of multicultural folk dances by the 3rd grade students at 7:00pm in the gym.

To help offset the cost of International Day and future programs like this, we suggest a \$10 donation per family. Your contribution is greatly appreciated!

To make a donation, please return this form through your child's backpack in an envelope labeled “International Day” along with your contribution (Cash or check made out to MPS PTO). Thank you for your continued support!
